2023 LOST LAKE RCD DOCK RENTAL PERMIT

A dock rental program is available for landowners within the RCD district, and while all landowners qualify, there will be a limited number of spaces (16) available. If demand exceeds the supply of docks on hand, we may build more docks and implement a lottery system for the remaining docks.

A renter will be able to keep a registered watercraft moored to their dock from **May 1st to October 23rd**.
The dock may be used for boating, fishing, and other normal lake usages.
The renter will comply with all RCD regulations. Visit www.lostlakercd.org for more information.
Docks are for seasonal use and are not to be used for storage of boats, boating gear, or fishing gear; if boating and fishing gear is to be stored on boats, the renter will accept all liability regarding the security of their boats and gear.
Any embellishments to the docks are only to be completed by the RCD or with RCD approval.
Boats are to enter and exit the lake at the existing public ramps. The exception to this rule would be watercraft that are typically transported by hand: canoes, kayaks, paddleboards etc.
Renter's vehicles, except for bikes and golf carts, should stay in normal designated parking areas and should never be driven to rented docks.
Renters accept a liability as it pertains to dock usage including guest usage. The RCD is not responsible for any damage to renter's boat while tied to the dock including theft, vandalism, floods, or other acts of nature.
Renters will pay a $300 non-refundable fee per season.
Renters will retain first option to extend to the next season. (Rates may be adjusted.)
The RCD may terminate a rental agreement for non-compliance with no refund issued to the renter.
A renter may sell or gift their rental to a qualified user, with RCD approval.

I agree to the stipulations above for the rental of the Lost Lake RCD boat dock, and I understand that my rental period runs from 5/1/2023 thru 10/23/2023 at a cost of $300.
