

LOST LAKE RCD - Lake Management

LOST LAKE

River Conservancy District

LAKE DREDGE UPDATE

Superior Seawalls provided the winning dredge bid and is currently working with our team to develop a contract that includes the details necessary to complete the dredge.

Once the contract is complete, the work can begin. We remain optimistic that the dredge will be completed yet this year.

Homeowners along the shoreline will have the opportunity to have their shoreline area dredged as well, at the homeowners expense. This will provide an opportunity for shoreline dredging at a discounted rate, since the Contractor will already be working in our lake. A notice will be issued once the details are available.

We are excited that this long-anticipated project is moving forward.

ELECTROFISHING SURVEY

JadEco will be performing an electrofishing survey to determine the quantity and health of the fish in our lake. The results of this survey provide needed data to make informed decisions regarding fish stocking and creel limits. A notice will be issued once a date for the electrofishing survey is determined.

OFFICERS ELECTED

The RCD Board has elected its Officers for fiscal year 2023-2024.

President: Bill Winebaugh

Vice President: Hal Warren

Treasurer: Jeff VanQuathem

Secretary: Jeff VanQuathem

WINTER BOAT STORAGE

NEW at the Campground!

A winter storage rental program is now available for landowners within the RCD district, and while all landowners qualify, there will be a limited number of spaces (14) available.

A renter will be able to store a registered boat with trailer at the campsite from September 1 to April 30 with the following restrictions:

- Only boats with trailers 24' and under in length will be allowed to be stored at the campsite.
- Renter must provide 2x12s to rest tires and tongue on, to protect the property from damage.
- Window to place boat with trailer for the season will be from September 1-30.
- Window to remove boat with trailer from storage will be from April 1-30.

Renter's boat/trailer still in storage after May 15 will be towed away at

the owner's expense and the owner will need to work with the towing company on getting their boat back.

Renters accept all liability as it pertains to storage. The RCD is not responsible for any damage to renter's boat/trailer while in storage at campsite including theft, vandalism, floods, or other acts of nature.

Any embellishments to the storage site are only to be completed by the RCD or with RCD approval.

Renters will pay \$150 non-refundable fee per season.

Renters will need to schedule with the RCD to open the campground gate to store or retrieve your boat.

Renters will retain the first option to extend to the next season. (Rates may be adjusted.)

The RCD may terminate a rental agreement for non-compliance with no refund issued to the renter.

Did You Know??

The RCD Offers a Community Library at Lake Court Center!

Read a Book or Check Out Books.
Library Hours: Mon-Fri 9am-5pm.

The RCD Recycles Pop Tabs for Ronald McDonald House!
