### NEW BOARD MEMBER

Please help us welcome our newest board member, **Dave Babics!**

Dave is a current fulltime resident in Lost Lake Community since October 2018. He is an outdoor enthusiast, fisherman, golfer and camper.

Being an avid fisherman, he has a particular interest in our lake and watershed area. He has volunteered to help the RCD and Fishing Club in their projects to improve our lake and community wherever possible, including shad cleanup, dock improvements and gate installation.

We are excited to have him on board and grateful for his hands-on approach in his service.
